Subject: Statistical reports of fishery operations.

Columbia River Packers Association,  
Box 97, Astoria, Oregon.

Gentlemen:

There are inclosed herewith copies of a circular notice of recent date with reference to the accuracy of the information to be furnished on the statistical reports required of all fishery operators in Alaska.

In this connection your attention is called to the fact that on the report submitted by you for your Chignik cannery the locations of traps reported as in Chignik Lagoon this past season do not seem to be correct. The correct location and catch by each trap should be shown separately.

It will be of the greatest assistance to this Bureau and render its statistics of greater value to the industry if all operators will cooperate in this work. Your attention to this matter will be appreciated.

Very truly yours,

Lewis Radcliffe.

Acting Commissioner.

Inclosure.
